SIC Tournament Pitching Rules

January 4th, 2017

We have eliminated all pitching rules for our tournaments for 2017. We believe that inning and pitch monitoring is best left to coaches and parents who will and should do an effective job making sure their boys are well taken care of.

We are recommending that teams follow the MLB PitchSmart guidelines in order to keep your son's arms healthy.

Here is a link to the MLB guidelines for youth baseball:
