Tournament Details

Teams: For both sessions, we're preparing for a field of twenty-four teams at 15U, twenty-four teams at 13U and eight teams at 11U. International teams are assigned to pools to maximize the number of teams that get the opportunity to play an international team in pool play. Pools will be created and opportunities to play international teams will be determined in part by the date your registration is completed. **15U teams from McHenry County are required to provide at least minimum homestay in order to play in the tournament. Contact us for details.**
